**To holders of the Company's ordinary shares ("Shareholders")**

Dear Shareholder

**Annual General Meeting**

Notice of the annual general meeting of the Company (the "Meeting") to be held at the offices of Hogan Lovells International LLP, Atlantic House, Holborn Viaduct, London EC1A 2FG on 29 July 2020 at 10 a.m. is set out at the end of this document. This letter gives details of the business to be transacted at the Meeting.

The board of directors of the Company (the "Board") continues to monitor the impact of the Covid-19 pandemic and the UK Government's response. In light of the current and anticipated public health guidelines in connection with the Covid-19 pandemic, physical attendance at the Meeting will not be possible, and is expected to be limited to the minimum necessary quorum in order to conduct the business of the meeting. Accordingly, the Company urges Shareholders to vote by proxy and to appoint the chairman of the Meeting as their proxy. If a Shareholder appoints someone else as their proxy, that proxy may not be able to attend the Meeting in person nor cast the Shareholder's vote. All votes on the resolutions contained in the notice of the Meeting will be held by poll, so that all proxy votes are counted.

The situation regarding Covid-19 is constantly evolving. Any changes to the arrangements for the Meeting which the board considers appropriate will be communicated to Shareholders before the Meeting through the Company's website at <http://www.urbanexposureplc.com> and, where appropriate, by RNS announcement.

A form of proxy for use at the Meeting is enclosed. A proxy may also be appointed for CREST members, by using the CREST electronic proxy appointment service. To be valid, any instrument appointing a proxy must be received by the Company's Registrars, Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA as soon as possible but in any event so as to arrive no later than 10 a.m. on 27 July 2020.

**Business of the Meeting**

The business to be transacted at the Meeting is as follows. All resolutions are ordinary resolutions, except where stated otherwise.

Resolution 1 seeks approval of the directors' report and the audited financial statements for the year ended 31 December 2019 contained in the Company's 2019 annual report and accounts (the "Annual Report").

Under resolutions 2 to 5 (inclusive) Shareholders will be asked to vote on the election or re-election (as appropriate) of each of the directors of the Company (the "Directors") other than myself. All of the Directors are retiring at the Meeting in accordance with corporate governance best practice. As this is the first annual general meeting since the appointment of Samuel Dobbyn and Graham Warner, resolutions 4 and 5 propose their elections as Directors of the Company. If elected or re-elected (as the case may be) each Director will hold office until they retire or cease to be a Director in accordance with the Articles, by operation of law or until they resign.

I will not be submitting myself for re-election at the Meeting. As announced on 2 July 2020, Graham Warner has been appointed to the Board as a new independent non-executive Director and to take over the role of non-executive Chairman of the Company at the conclusion of the Meeting. Shareholders will be asked to vote on the election of Mr Warner to the Board under resolution 5.

Graham Warner has nearly 40 years' experience in banking and financial services, most recently at J O Hambro Capital Management Group Limited, where he served as finance director. Mr Warner is also a non-executive director of Dolphin Capital Investors Ltd. Prior to joining J O Hambro in 2000, Mr Warner worked for Mercury Asset Management (subsequently Merrill Lynch Investment Managers), where he was responsible for Mercury's financial accounting and regulatory reporting. He has also worked for the National Bank of Kuwait Group and Hong Kong & Shanghai Banking Corporation in senior financial management roles. Graham is a qualified Chartered Accountant.

Please see page 25 of the Annual Report for the biographies of each of the other Directors standing for election or re-election.

Resolution 6 approves the re-appointment of BDO LLP as the Company's auditor and resolution 7 authorises the Directors to approve its remuneration. An assessment of the effectiveness, independence and objectivity of the auditor has been undertaken by the Audit Committee which has recommended to the Board that BDO LLP be re-appointed.

Resolution 8 seeks Shareholder approval for the Directors to be authorised to allot equity securities in the Company, which includes ordinary shares. Section 551 of the Companies Act 2006 (the "Act") requires that the Directors are not permitted to allot equity securities unless authorised to do so by Shareholders. The Act provides for such authority to be granted either by the Company in general meeting or by its articles of association and, in both cases, such authority can only last for five years. Best practice is to have the authority renewed annually. Accordingly, all unexercised previous authorities will be revoked by this new authority and this authority will expire at the conclusion of the next annual general meeting of the Company or, if earlier, 15 months after the passing of the resolution except insofar as commitments to allot equity securities have been entered into before that date.

In accordance with institutional guidelines, the resolution grants the Directors authority to allot equity securities up to a maximum nominal amount of £1,056,628 representing the guideline limit of approximately two-thirds (i.e. 66.6%) of the Company's issued ordinary share capital (excluding treasury shares) as at 2 July 2020, (being the latest practicable date prior to publication of this circular). Of this amount, £528,314, representing approximately one-third (i.e. 33.3%) of the Company's issued ordinary share capital (excluding treasury shares), can only be allotted pursuant to a fully pre-emptive rights issue. The Board has no present intention of exercising this authority.

As at 2 July 2020, being the latest practicable date prior to the publication of this circular, the Company holds 6,505,870 treasury shares, being approximately 4.1% of the issued share capital of the Company (excluding treasury shares).

Resolutions 9 and 10, which will be proposed as special resolutions, supplement the Directors' authority to allot ordinary shares in the Company proposed by resolution 8, and will disapply statutory pre-emption rights in relation to allotment of a limited number of ordinary shares in the Company.

Section 561 of the Act requires a company proposing to allot equity securities to offer them first to existing Shareholders in proportion to their existing shareholdings. The allotment of equity securities includes ordinary shares (the only class of share capital the Company has at present) and selling ordinary shares held in treasury but the requirement does not apply to ordinary shares issued under employee share schemes. If these resolutions are passed, the requirement imposed by section 561 will not apply to allotments by the Directors in two cases:

- in connection with a rights (or similar) issue, where application of the principle in section 561 could (for example) either result in fractional entitlements to equity securities arising or require the issue of equity securities where this would be impractical because of legal or regulatory requirements in any given overseas jurisdiction; and
- allotments of equity securities for cash up to a total nominal value of £158,494 (representing approximately 10% of the Company's issued share capital (excluding treasury shares)), as at 2 July 2020 (being the latest practicable date prior to publication of this circular). This gives the Directors flexibility to take advantage of business opportunities as they arise, whilst the 10% limit ensures that existing Shareholders' interests are protected in accordance with guidelines issued by institutional investors' bodies.

The authority to issue up to 10% of the Company's issued share capital (excluding treasury shares) is in accordance with the PEG Principles, which provide greater flexibility to undertake non-pre-emptive issuances in connection with acquisitions and specified capital investments. In accordance with resolution 10, the Board may not allot equity securities with a nominal value of over £79,247 (representing 5% of its issued share capital (excluding treasury shares)) for cash unless such allotment is in connection with an acquisition or specified capital investment, in line with the PEG Principles, which will be announced at the same time as the allotment or will have taken place in the preceding six-month period and will be disclosed in the announcement of the allotment. The Board also confirms its intention that equity securities equivalent to no more than 7.5% of the issued share capital of the Company (excluding treasury shares) will be allotted for cash on a non-pre-emptive basis during any rolling three-year period unless in connection with an acquisition or specified capital investment, again in line with institutional investor guidelines.

These authorities will expire at the conclusion of the Company's next annual general meeting or, if earlier, 15 months after the passing of the resolutions except insofar as commitments to allot equity securities have been entered into before that date.

Resolution 11, which will be proposed as a special resolution, seeks to renew the authority for the Company to purchase its own shares in the market up to a maximum of 23,758,270 ordinary shares (being approximately 14.99% of the Company's issued ordinary share capital (excluding treasury shares) as at 2 July 2020, being the last practicable date prior to the publication of this circular).

The proposed resolution sets out the maximum and minimum prices which the Company may pay for ordinary shares. This authority will expire at the conclusion of next year's annual general meeting or, if earlier, 15 months after the passing of the resolution. Any ordinary shares purchased under the authority may be cancelled or may be held in treasury so as to be available to be sold at a later date, subject to the restrictions set out in resolution 8 or its equivalent in force at the time.

As announced by the Company on 19 June 2020, the Company intends to use the authority granted pursuant to resolution 11 to make on-market own-share purchases at prices that are accretive to the Company's prevailing tangible net asset value per share, subject to the then funding requirements of the Company and its subsidiary undertakings and, at least initially, the maintenance of a £10 million cash buffer, which is expected to reduce over time.

Resolution 12 permits the Company to make limited political donations. The Company does not intend to make donations or incur expenditure on behalf of political parties. However, the Act contains restrictions on companies making political donations or incurring political expenditure and it defines these terms very widely, such that activities that form part of the normal relationship between the Company and bodies concerned with policy review may be included. The Company believes that the authority proposed under this resolution, which will be proposed as an ordinary resolution, is necessary to ensure that it does not commit any technical or inadvertent breach of the Act when carrying out activities in furtherance of its legitimate business interests. The authority will lapse on the conclusion of the Company's next annual general meeting and will be limited to an aggregate amount of £50,000.

The Company neither made political donations nor incurred political expenditure in the financial year ended 31 December 2019.

**Action to be taken**

You are urged either to complete the enclosed form of proxy and return it, together with any power of attorney or other authority under which it is signed or a notarially certified or office copy thereof, to the Company's Registrars, Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA so as to arrive no later than 48 hours (not counting days that are not business days) before the time of the Meeting. Alternatively, you can submit your vote electronically via the Registrar's web portal, [www.sharevote.co.uk](http://www.sharevote.co.uk) or, if you hold your shares in uncertificated form, you can use the CREST electronic proxy appointment service as described in note 9 to the notice of the Meeting.

In light of the current and anticipated public health guidelines in connection with the Covid-19 pandemic, physical attendance at the Meeting will not be possible. Accordingly, the Company urges you to vote by proxy at the Meeting and to appoint the chairman of the Meeting as your proxy for that purpose. If you appoint someone other than the chairman of the Meeting as your proxy, that proxy may not be able to attend the Meeting in person or cast your vote.

**Recommendation**

The Board believes that the resolutions to be put to the Meeting are in the best interests of the Shareholders as a whole and, accordingly, recommends that Shareholders vote in favour of the resolutions, as the Directors intend to do in respect of their beneficial shareholdings in the Company.

Yours sincerely,

**William McKee**  
Chairman

## Notes

### Attendance of Meeting and proxy appointments

1. The Company specifies that only those shareholders registered in the register of members of the Company as at 6:30pm on 27 July 2020 or, if the Meeting is adjourned, close of business on the day two days prior to the adjourned Meeting (not counting days that are not business days) shall be entitled to attend or vote at the Meeting in respect of the number of ordinary shares registered in their name at that time. If the Meeting is adjourned, the Company specifies that only shareholders entered on the Company's register of members not later than 6:30pm on the day two days prior (not counting days that are not business days) to the reconvened Meeting shall be entitled to attend and vote at the Meeting. Changes to entries on the relevant register of members after that time shall be disregarded in determining the rights of any person to attend or vote at the Meeting.
2. A member entitled to attend and vote at the Meeting may appoint one or more proxies (who need not be a member of the Company) to attend and to speak and to vote on his or her behalf whether by show of hands or on a poll. A member can only appoint a proxy using the procedures set out in these notes and the notes to the proxy form. A member can appoint more than one proxy in relation to the Meeting provided that each proxy is appointed to exercise the rights attaching to different ordinary shares held by him. In order to be valid, an appointment of proxy (together with any authority under which it is executed or a duly certified copy of the authority) must be returned by one of the following methods and in each case must be received by the Company's Registrars not less than 48 hours (not counting days that are not business days) before the time of the Meeting:
  - (a) in hard copy form by post, by courier or by hand to the Company's Registrars, Equiniti Limited at Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA; or
  - (b) submit a proxy electronically at [www.sharevote.co.uk](http://www.sharevote.co.uk); or
  - (c) in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below.
3. Completion and return of the form of proxy, or completion of the online voting process, will not itself preclude shareholders from attending and voting at the Meeting. However, in light of the current and anticipated public health guidelines in connection with the Covid-19 pandemic, physical attendance at the Meeting will not be possible. The form of proxy includes a vote withheld option. Please note that a vote withheld is not a vote in law and will not be counted in the calculation of the proportion of the votes for and against any particular resolution.
4. Each shareholder entitled to attend the Meeting, and each duly appointed proxy, has one vote for each resolution voted on by a show of hands. If a proxy has been appointed by more than one member entitled to vote, and one of those members has instructed the proxy to vote for the resolution and one or more other of those members has instructed the proxy to vote against it, the proxy has one vote for and one vote against the resolution on a show of hands. In the event of a poll, the proxy can exercise the respective voting rights of each appointing member.
5. Under section 324A of the Act, a proxy must vote in accordance with any instructions given by the member by whom they are appointed.
6. A copy of this Notice has been sent for information only to persons who have been nominated by a member to enjoy information rights under section 146 of the Act (each a "Nominated Person"). The rights to appoint a proxy cannot be exercised by a Nominated Person; they can only be exercised by the member. However, a Nominated Person may have a right under an agreement between him and the member by whom he was nominated to be appointed as a proxy for the Meeting or to have someone else so appointed. If a Nominated Person does not have such a right or does not wish to exercise it, he may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.
7. A corporation which is a member can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member provided that no more than one corporate representative exercises powers over the same share.
8. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
9. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ("EUI") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by the latest time(s) for receipt of proxy appointments specified in the Notice. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.
10. CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s)

take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

11. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

### **Documents available for inspection**

12. Copies of the contracts of service of the directors employed by the Company and the letters of appointment of the non-executive directors are available for inspection by members of the Company at the registered office of the Company during normal business hours on any weekday (Saturdays, Sundays and public holidays excepted).

### **Share capital**

13. As at 2 July 2020 (being the latest practicable date prior to publication of this circular), the Company's issued share capital comprised 158,494,130 ordinary shares of 1 penny each. Each ordinary share carries the right to one vote at a general meeting of the Company. The Company holds 6,505,870 ordinary shares in treasury and is not permitted to exercise voting rights in respect of these shares. Therefore, the total number of voting rights in the Company as at 2 July 2020 is 158,494,130.

### **Members' further rights**

14. Members of the Company have the right, under section 338 of the Act, to require, subject to certain conditions, the Company to give its members notice of a resolution which the shareholders wish to be moved at the Meeting. Additionally, members of the Company have the right under section 338A of the Act to require, subject to certain conditions (including that the matter is not defamatory of any person, frivolous or vexatious) the Company to include a matter (other than a proposed resolution) in the business to be dealt with at the Meeting. The Company is required to give such notice of a resolution or include such matter once it has received requests from members representing at least 5% of the total voting rights of all the members who have a right to vote at the Meeting or from at least 100 members with the same right to vote who hold ordinary shares in the Company on which there has been paid up an average sum, per member, of at least £100. This request must be received by the Company not later than six weeks before the Meeting or, if later, the time at which notice is given of the Meeting, identify the resolution of which notice is to be given or the matter of business by either setting it out in full or, if supporting a resolution or statement sent by another member, clearly identify the resolution or matter of business which is being supported, be authenticated by the person or persons making it, and be sent either in hard copy form to the Company's registered office marked for the attention of the Company Secretary (and signed), and by email to [marie@urbanexposureplc.com](mailto:marie@urbanexposureplc.com) marked for the attention of the Company Secretary. In the case of a request relating to section 338A of the Act, the request must be accompanied by a statement setting out the grounds for the request.

### **Communication**

16. Except as provided above, members who have general queries about the annual general meeting should contact the Company Secretary at [marie@urbanexposureplc.com](mailto:marie@urbanexposureplc.com) (no other methods of communication will be accepted).
17. You should not use any electronic address provided either in this Notice or any related documents (including the Chairman's letter and proxy form), to communicate with the Company for any purposes other than those expressly stated.
